About Zanika

Camp Zanika Lache was established in 1932 by Camp Fire North Central Washington on the shores of Lake Wenatchee, 23 miles west of the charming Bavarian themed village of Leavenworth Washington. Located on 13 acres of waterfront property in the Okanogan-Wenatchee National forest, Camp Zanika has been a getaway experience for youth for over 85 years. Our facilities include 12 rustic cabins, a lodge, dining hall, ropes course, archery range, 2 bathrooms/shower houses, health house, and a beautiful waterfront.

Summer Camp

Camp Zanika Lache is small coed traditional residential camp. We welcome campers ages 6-17 from all over the country and beyond. Summer sessions range from one to two week stays, to half a week stays, with most campers coming for a week. There are two teen leadership programs that happen throughout the summer, the Leaders in Training program and Counselor in Training program. Cabin groups are organized by age and gender with up to 8 campers.

Each week at camp is packed with cookouts, swimming, archery, s'mores, fishing, ropes course, arts and crafts, nature, hiking and a counselor fire on the last night.
