

# SPECIAL CONSIDERATION FORM FOR STAFF

Our goal is to provide a positive, comfortable and supportive work environment for all staff. To aid us in accomplishing this goal, we ask staff to inform us of any special considerations they may have. These may vary from special attention, special dietary needs\*, auxiliary aids or services, as well as, removal of physical or communications barriers. We use this information to ensure that appropriate accommodations are available.

\* Dietary needs: Please describe your dietary needs in detail and provide food substitution information if necessary. The kitchen will be able to store special dietary foods that you bring to camp with advanced notice.

*The above information is requested only to protect the safety of staff and assist staff in performing their duties and responsibilities. Camp Fire USA is committed to, and does, comply with the Americans with Disabilities Act in all respects and will utilize the information provided on this form only to aid the staff.*

I do **not** have any of the special needs listed above but thanks for asking.
